# SENSATION

Sensation... will not disappoint you  
Sensation is Séduction's elegant twin sister, with delicately curled frisé yarn. She is frivolous and graceful at the same time, in a variety of distinguished colours, each emphasising the satiny gloss of her body. If you're looking for a level of excitement that you have never experienced before, try Sensation. She will not disappoint you.

# SCENT

Scent... the gateway to blissful memories  
 A scent has the power to transport you. It can be the unexpected gateway to blissful memories. Walking barefoot on Scent's soft surface will do the same ... and more. Scent will instantly remind you of the best of times and will continue to create a subtle yet solid setting for memorable moments through the years.

# OBSESSION

Obsession... the ultimate level of softness. When it comes to indulgence, there's no such thing as too much. With her lavish surface, Obsession is the quintessential expression of sensuality. Get ready to be overwhelmed as you plunge into a new dimension of softness. How far will you go? Will you live out your obsession discreetly in soft tones, or make a full-blown confession by choosing Obsession's lush colours?
